

SINGLE DETACHED HOUSING

Galway and Mayo, West of Ireland

200 m2 - 450 m2

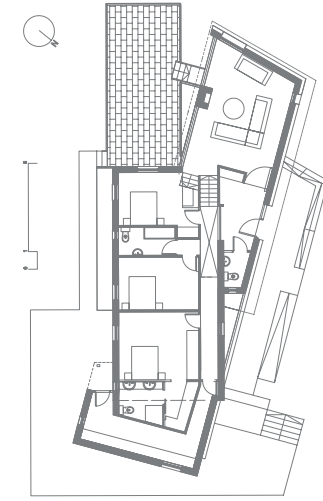

Completed and Planning

Description:

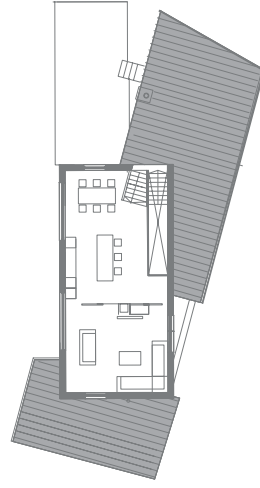

The detached housing boom in Ireland has been an opportunity to explore design approaches based on site variants, context and integration, budget and planning; but also a challenge to get client needs and wants, and ultimately produce a site specific response that is rooted in sustainability and rationality and yet has individual expression.

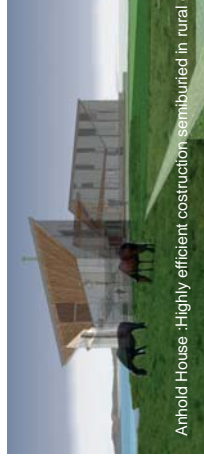

Callanah House Extension: Extension to a traditional cottage, 280 m2 total

O'Neill House: Holiday House in Rural coast area. 230 m2

Anhold House: Highly efficient construction semi-buried in rural coastal area. 280 m2

Cronnis House Studio: Highly efficient construction Artist Studio Extension to existing house on coastal area. 280 m2
